**Tros Gynnal Plant is the leading Wales-based Children's Rights and Advocacy Charity.**

Tros Gynnal Plant has been providing services to vulnerable children, young people and their families across Wales for 14 years.

We have recently taken over the established Travelling Ahead project and been awarded a Welsh Government contract to develop and deliver a new service to empower Gypsy, Roma and Traveller communities (children, young people and adults) across Wales to access their rights, address inequalities and tackle discrimination and are looking for suitably experienced people to join the team.

Applications are welcome from all sections of the community regardless of age, disability or racial origin. Tros Gynnal Plant welcomes applications from Welsh speakers.

For an informal discussion please contact Trudy Aspinwall, Team Manager on 07788412760.
